THE WFM EXPERIENCE

At Project Genetics, it's not just another "Workforce Management" Project – it's The WFM Experience!

Our clients receive the partnership they deserve with the WFM experience. Whether you're a small local company or a large multinational organization, all our partners and clients benefit from The WFM Experience!

OUR PEOPLE

Our team consists of experienced UKG industry-leading consultants. Our team members are certified in their respective areas of competency: Workforce Management, Project/Program Management, HR & Payroll.

OUR COMMITMENT

Our people are committed to you, your people, and your success. We work collaboratively and proactively to ensure your project stays on time and on budget to help you to achieve your outcomes.

ENGAGEMENT

Each engagement is personalized to support your unique business requirements and processes. We assign consultants to align with your company culture to achieve your desired outcomes.

OUR EXPERIENCE

Our extensive UKG experience combined with industry best practices makes us the go-to team of UKG resources with 15 plus years of experience.
